BLUEDRAGON

1.1 OVERVIEW OF ACCOUNT LEVELS

There are multiple levels for Game Vault from highest level to lowest :

DISTRIBUTOR

With a distributor, you can sell to other agents by providing them with a sub-distributor or store account.

SUB-DISTRIBUTOR

With a sub-distributor account, you can sell to other agents by providing them with a store account.

1.2 OVERVIEW OF ACCOUNT LEVELS

STORE

With a store account you can sell to players.

PLAYER

These accounts are created using a store account.

NOTE

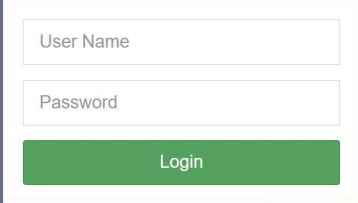

If your focus is on selling to players, it's advisable to establish one main store account. This enables you to add new player accounts directly under this store account rather than creating individual store accounts for every player.

1.3 Creating A Sub-Distributor And Store Account

We will provide you with a distributor account, which lets you set up a child sub-distributor account.

You can then log into that sub-distributor account to create a store account.

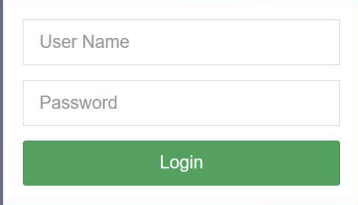

A login form with a white background and a thin grey border, centered on a blue-grey gradient background. The form contains three elements: a text input field labeled "User Name", a text input field labeled "Password", and a green rectangular button labeled "Login".

1.3 Creating A Sub-Distributor And Store Account

To create a sub-distributor account

1. Log in to the Distributor Account

A login form with two input fields: 'User Name' and 'Password'. Below the fields is a green 'Login' button. The form is set against a blue gradient background.

- > User guide
- > change password
- > **user management**

2. Click Navigation on the left sidebar then User Management.

2.3 Creating A Sub-Distributor And Store Account

3. Click the Add Agent.

A white rectangular button with rounded corners and a thin grey border. The text "AddAgent" is centered in a blue, sans-serif font.

4. Finalize the account.

A blue rectangular button with rounded corners and a thin grey border. The text "OK" is centered in a white, sans-serif font.

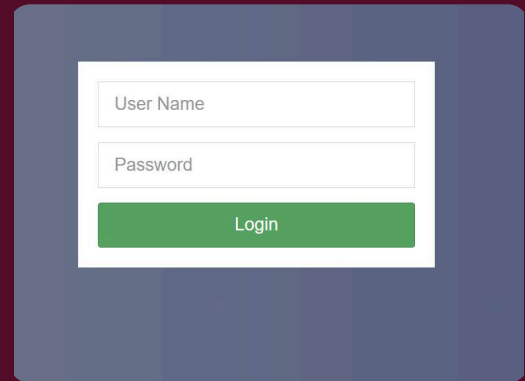

NOTE

Fill out the details, contact number can be 1, and hot submit. You now have a sub-distributor account, which will pop up on your list.

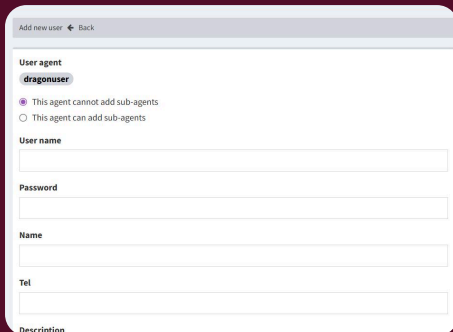

3.1 To Create A Store Account

1. To create a store account logout of the distributor account

A login form with a blue background. It contains two input fields: 'User Name' and 'Password'. Below these fields is a green button labeled 'Login'.

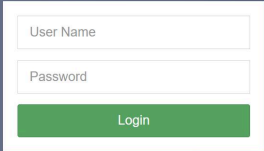

A form titled 'Add new user' with a 'Back' link. It contains a 'User agent' section with a dropdown menu showing 'dragonuser'. Below this are two radio buttons: 'This agent cannot add sub-agents' (selected) and 'This agent can add sub-agents'. There are also input fields for 'User name', 'Password', 'Name', 'Tel', and 'Description'.
