

BACKEND GUIDE

GlamourSpin

1.1 OVERVIEW OF ACCOUNT LEVELS

There are multiple levels for Game Vault from highest level to lowest :

DISTRIBUTOR

With a distributor, you can sell to other agents by providing them with a sub-distributor or store account.

SUB-DISTRIBUTOR

With a sub-distributor account, you can sell to other agents by providing them with a store account.

1.2 OVERVIEW OF ACCOUNT LEVELS

STORE

With a store account you can sell to players.

PLAYER

These accounts are created using a store account.

NOTE

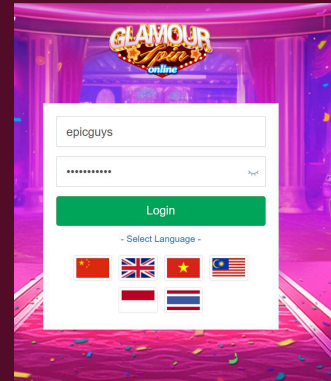

If your focus is on selling to players, it's advisable to establish one main store account. This enables you to add new player accounts directly under this store account rather than creating individual store accounts for every player.

1.3 Creating A Sub-Distributor And Store Account

We will provide you with a distributor account, which lets you set up a child sub-distributor account.

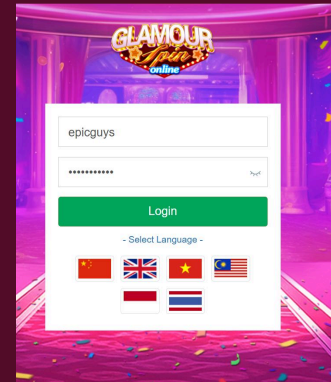

You can then log into that sub-distributor account to create a store account.

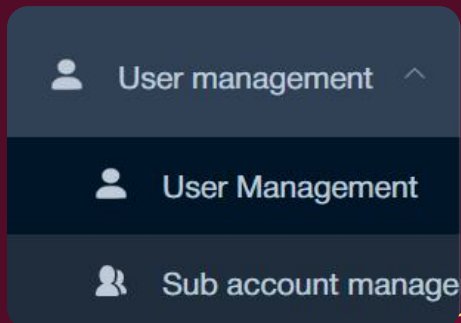

1.3 Creating A Sub-Distributor And Store Account

To create a sub-distributor account

1. Log in to the Distributor Account

2. Click Navigation on the left sidebar then User Management.

2.3 Creating A Sub-Distributor And Store Account

3. On the Agent Click the Add Agent.

A white rectangular button with rounded corners and a thin grey border. The text "AddAgent" is centered in a blue, sans-serif font.

4. Finalize the account.

A blue rectangular button with rounded corners and a thin grey border. The text "OK" is centered in a white, sans-serif font.

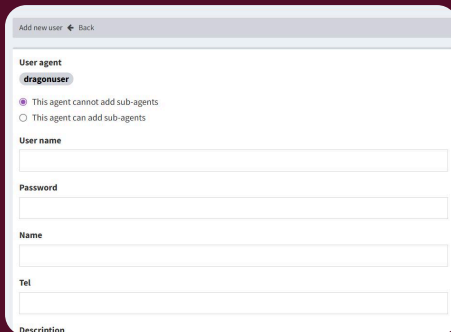

NOTE

Fill out the details, contact number can be 1, and hot submit. You now have a sub-distributor account, which will pop up on your list.

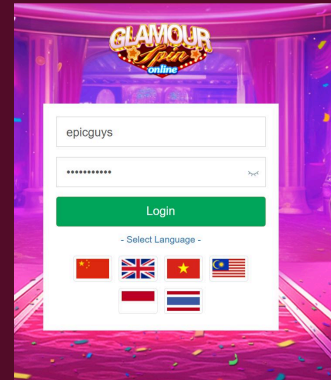

3.1 To Create A Store Account

1. To create a store account logout of the distributor account

The screenshot shows a web form titled 'Add new user' with a 'Back' link. The form includes a 'User agent' dropdown menu currently set to 'dragonuser'. Below this are two radio buttons: 'This agent cannot add sub-agents' (selected) and 'This agent can add sub-agents'. The form also contains input fields for 'User name', 'Password', 'Name', 'Tel', and 'Description'.

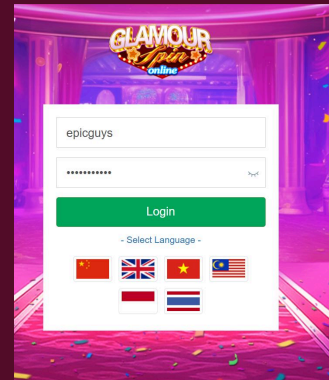

2. Login into the sub-distributor account. Repeats the account create process as above.

4.1 To Create A Player Account

1. Login in to a store account

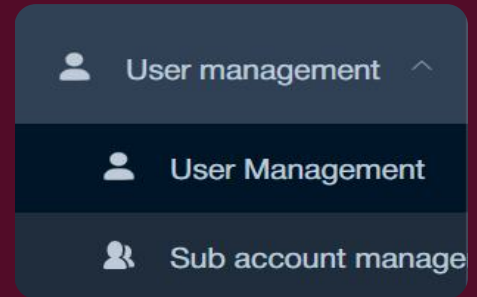

NOTE

If you don't have a store account, follow the previous section of the guide.

4.2 To Create A Player Account

2. Click Navigation on the left sidebar then User Management.

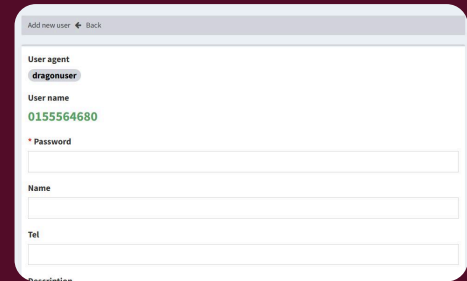

AddPlayer

3. On the player click on "Add Player"

4.3 To Create A Player Account

1. Fill out account password, telephone, description

Add new user ← Back

Description

NOTE

You can now provide these details to a player to login to the game. Make sure to load the player credits by following the next section of the guide.

5.1 Loading / Withdrawing Credits

To load/withdraw any account type, login in to its parent account. If you want to load a store account, login to its parents Sub-Distributor account.

Once you are logged in to the parent account, find the account under Admin List

#	UserName	Score	Name	Tel	Description	UserName	Operati
1	draganagent	0.00	agentdragon	3453453	N/A	draganagent	set score score log edit s

5.2 Loading / Withdrawing Credits

1. From here you can scroll horizontally and find Set Score

set score

Set score Max value: 0

100

eg.: 100 or 10.50

2. To load add amount.

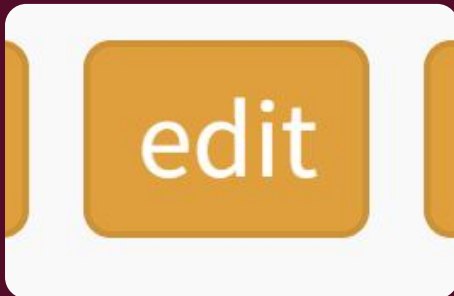

5.2 Loading / Withdrawing Credits

3. To withdraw add amount in minus.

Set score **Max value: 0**

eg.: 100 or 10.50

3. To reset password click on edit.

6.1 Viewing Credit Transaction Records

1. To access store records. Under the Profile report click on the Agent Statistics

The backend lets you view transaction records between a parent account and its children. This feature helps you monitor credit movement, including both loads and withdrawals, along with the exact dates and times of transactions

6.2 Viewing Credit Transaction Records

2. You can specify start Date, time picker ,end date and time picker and click ok.

Agent account

*** Start Time**

*** End Time**

***suitability time filter data period:2026-05-20 - 2026-05-22**

7.1 Viewing Player Game Records

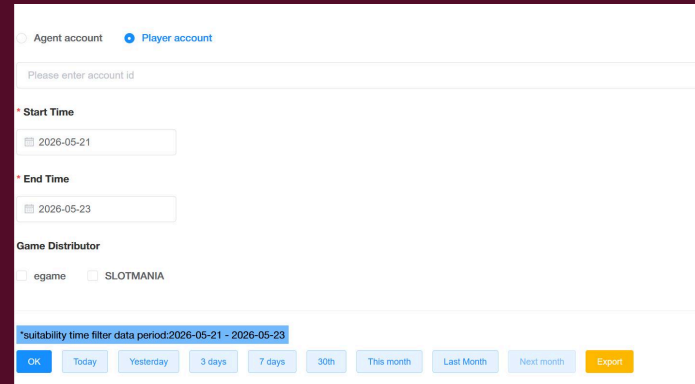

The backend lets you view game records for players. This lets you track how a player is spending their credits, how they're winning/losing, when they're playing, etc.

1. To access store records. Under the Profile report click on the Agent Statistics

7.2 Viewing Player Game Records

2. You can specify User name, Date, time picker and click ok.

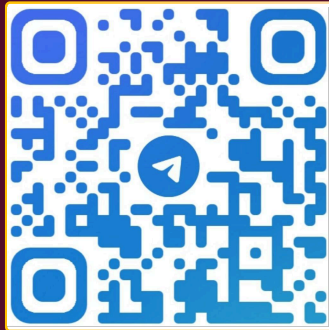

The screenshot shows a web form for viewing player game records. At the top, there are two radio buttons: 'Agent account' (unselected) and 'Player account' (selected). Below this is a text input field with the placeholder 'Please enter account id'. The form has two main sections for date and time selection. The first section, labeled '* Start Time', contains a date picker showing '2026-05-21'. The second section, labeled '* End Time', contains a date picker showing '2026-05-23'. Below these is a section for 'Game Distributor' with two checkboxes: 'egame' (unselected) and 'SLOTMANIA' (unselected). At the bottom, there is a status bar that reads '*suitability time filter data period:2026-05-21 - 2026-05-23'. Below the status bar is a row of buttons: 'OK' (blue), 'Today' (light blue), 'Yesterday' (light blue), '3 days' (light blue), '7 days' (light blue), '30th' (light blue), 'This month' (light blue), 'Last Month' (light blue), 'Next month' (light blue), and 'Export' (yellow).

8.1 Obtaining A Master Account

To obtain a master-level account, message your agent to find out the minimum requirements.
