

BACKEND GUIDE

GOLDEN TREASURE

1.1 OVERVIEW OF ACCOUNT LEVELS

There are multiple levels for Game Vault from highest level to lowest :

DISTRIBUTOR

With a distributor, you can sell to other agents by providing them with a sub-distributor or store account.

SUB-DISTRIBUTOR

With a sub-distributor account, you can sell to other agents by providing them with a store account.

1.2 OVERVIEW OF ACCOUNT LEVELS

STORE

With a store account you can sell to players.

PLAYER

These accounts are created using a store account.

NOTE

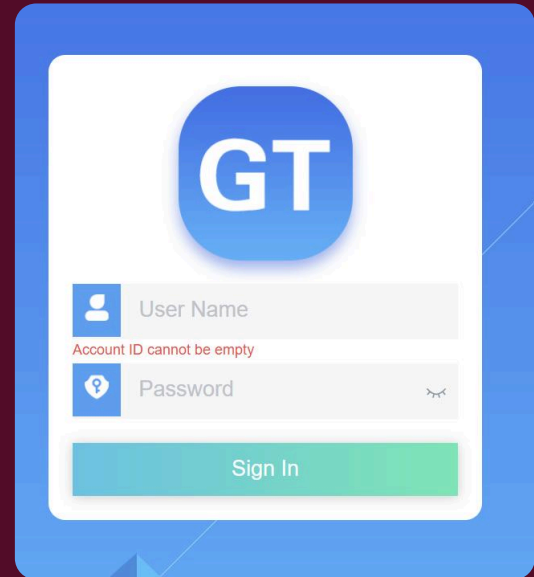

If your focus is on selling to players, it's advisable to establish one main store account. This enables you to add new player accounts directly under this store account rather than creating individual store accounts for every player.

1.3 Creating A Sub-Distributor And Store Account

We will provide you with a distributor account, which lets you set up a child sub-distributor account.

You can then log into that sub-distributor account to create a store account.

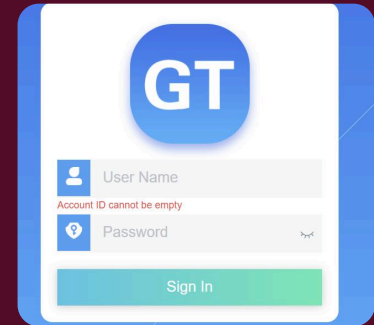

The screenshot shows a login form within a blue-bordered window. At the top is a blue circular logo with the white letters 'GT'. Below the logo are two input fields. The first field is labeled 'User Name' and has a red error message 'Account ID cannot be empty' below it. The second field is labeled 'Password' and has a small eye icon to its right. At the bottom of the form is a green 'Sign In' button.

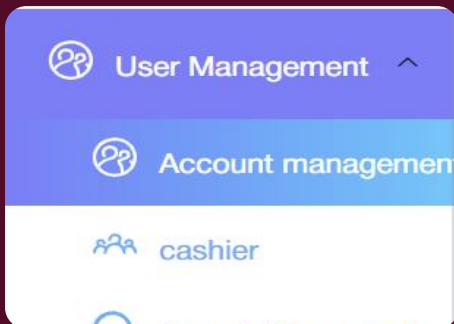

1.3 Creating A Sub-Distributor And Store Account

To create a sub-distributor account

1. Log in to the Distributor Account

A login form for GT. It features a blue circular logo with 'GT' in white at the top. Below the logo are two input fields: 'User Name' and 'Password'. The 'Password' field has a small eye icon to its right. A red error message 'Account ID cannot be empty' is displayed below the 'User Name' field. At the bottom of the form is a green 'Sign In' button.

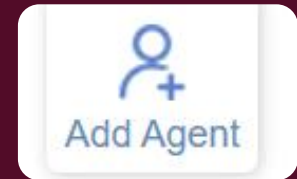

2. Click Navigation on the left sidebar under User Management select account management

2.3 Creating A Sub-Distributor And Store Account

3. Click the Add Agent.

4. Finalize the account.

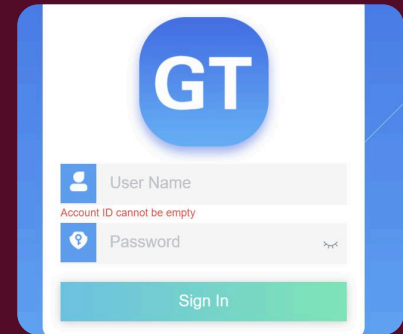

NOTE

Fill out the details, contact number can be 1, and hot submit. You now have a sub-distributor account, which will pop up on your list.

Select

phone

NOTE

You can now provide these details to a player to login to the game. Make sure to load the player credits by following the next section of the guide.

5.1 Loading / Withdrawing Credits

To load/withdraw any account type, login in to its parent account. If you want to load a store account, login to its parents Sub-Distributor account.

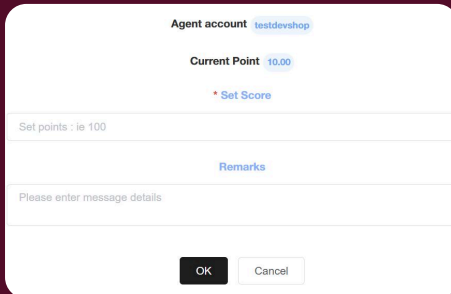

Once you are logged in to the parent account, find the account under Admin List

5.2 Loading / Withdrawing Credits

1. From here you can scroll horizontally and find Set Score

Set Score

The screenshot shows a 'Set Score' dialog box with the following elements:

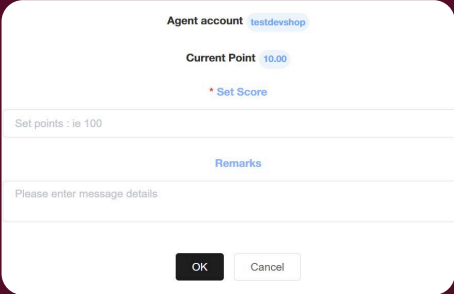

- Agent account:** testdevshop
- Current Point:** 10.00
- * Set Score:** A text input field containing '100'.
- Remarks:** A text input field with the placeholder text 'Please enter message details'.
- Buttons:** 'OK' and 'Cancel' buttons at the bottom.

2. To load add amount.

5.2 Loading / Withdrawing Credits

3. To withdraw add amount in minus.

The screenshot shows a form for managing an agent account. At the top, it says "Agent account" followed by a blue link "testdevshop". Below that, it says "Current Point" followed by a blue link "10.00". There is a red asterisk and a blue link "Set Score". Below this is a text input field containing "Set points : le 100". Below the input field is a blue link "Remarks". Below that is a text input field containing "Please enter message details". At the bottom are two buttons: "OK" and "Cancel".

3. To reset password click on edit.

6.1 Viewing Credit Transaction Records

1. To access store records. Click on Agent total data under revenue statistics

The backend lets you view transaction records between a parent account and its children. This feature helps you monitor credit movement, including both loads and withdrawals, along with the exact dates and times of transactions

6.2 Viewing Credit Transaction Records
