LOOT

1.1 OVERVIEW OF ACCOUNT LEVELS

There are multiple levels for Game Vault from highest level to lowest :

DISTRIBUTOR

With a distributor, you can sell to other agents by providing them with a sub-distributor or store account.

SUB-DISTRIBUTOR

With a sub-distributor account, you can sell to other agents by providing them with a store account.

1.2 OVERVIEW OF ACCOUNT LEVELS

STORE

With a store account you can sell to players.

PLAYER

These accounts are created using a store account.

NOTE

If your focus is on selling to players, it's advisable to establish one main store account. This enables you to add new player accounts directly under this store account rather than creating individual store accounts for every player.

1.3 Creating A Sub-Distributor And Store Account

We will provide you with a distributor account, which lets you set up a child sub-distributor account.

You can then log into that sub-distributor account to create a store account.
