

BACKEND GUIDE

MEGASPIN

1.1 OVERVIEW OF ACCOUNT LEVELS

There are multiple levels for Game Vault from highest level to lowest :

DISTRIBUTOR

With a distributor, you can sell to other agents by providing them with a sub-distributor or store account.

SUB-DISTRIBUTOR

With a sub-distributor account, you can sell to other agents by providing them with a store account.

1.2 OVERVIEW OF ACCOUNT LEVELS

STORE

With a store account you can sell to players.

PLAYER

These accounts are created using a store account.

NOTE

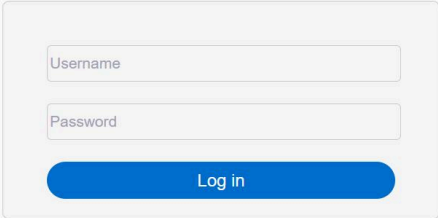

If your focus is on selling to players, it's advisable to establish one main store account. This enables you to add new player accounts directly under this store account rather than creating individual store accounts for every player.

1.3 Creating A Sub-Distributor And Store Account

We will provide you with a distributor account, which lets you set up a child sub-distributor account.

You can then log into that sub-distributor account to create a store account.

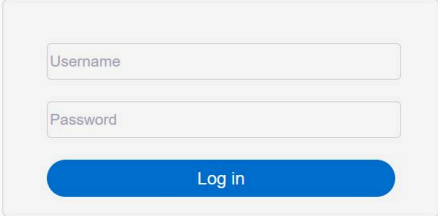

A login form with two input fields: 'Username' and 'Password'. Below the fields is a blue button labeled 'Log in'.

1.3 Creating A Sub-Distributor And Store Account

To create a sub-distributor account

1. Log in to the Distributor Account

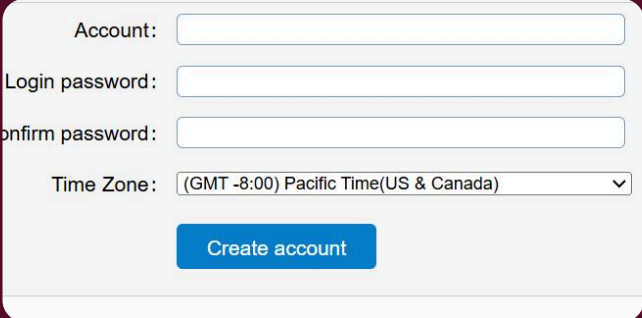

A login form with two input fields: 'Username' and 'Password'. Below the fields is a blue button labeled 'Log in'.

2.3 Creating A Sub-Distributor And Store Account

3. Add the information and create account

A screenshot of a web form for creating an account. The form has a white background with rounded corners and a thin grey border. It contains four input fields: 'Account:', 'Login password:', 'Confirm password:', and 'Time Zone:'. The 'Time Zone:' field is a dropdown menu showing '(GMT -8:00) Pacific Time(US & Canada)'. Below the fields is a blue button with the text 'Create account' in white.

Account:

Login password:

Confirm password:

Time Zone:

[Create account](#)

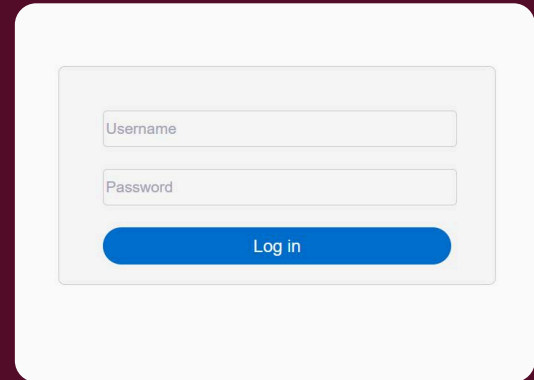

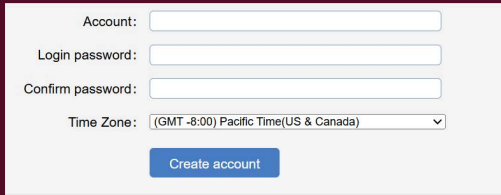

NOTE

Fill out the details, contact number can be 1, and hot submit. You now have a sub-distributor account, which will pop up on your list.

3.1 To Create A Store Account

1. To create a store account logout of the distributor account

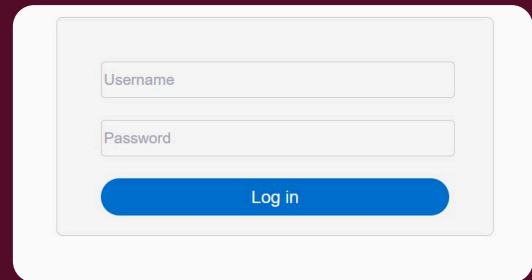

A login form interface with a white background and rounded corners. It contains two input fields: 'Username' and 'Password', both with light gray borders. Below the password field is a blue button with the text 'Log in' in white.An account creation form interface with a white background and rounded corners. It contains four input fields: 'Account:', 'Login password:', 'Confirm password:', and 'Time Zone:'. The 'Time Zone:' field is a dropdown menu showing '(GMT -8:00) Pacific Time(US & Canada)'. Below the fields is a blue button with the text 'Create account' in white.

2. Login into the sub-distributor account. Repeats the account create process as above.

4.1 To Create A Player Account

1. Login in to a store account

A login form with a white background and rounded corners. It contains two input fields: the top one is labeled 'Username' and the bottom one is labeled 'Password'. Below these fields is a blue button with the text 'Log in' in white.

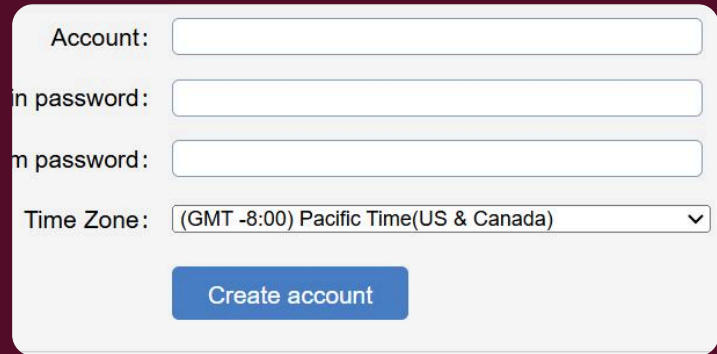

NOTE

If you don't have a store account, follow the previous section of the guide.

4.2 To Create A Player Account

2. Add the information

A screenshot of a web form for creating a player account. The form is white with a thin grey border and is set against a dark red background. It contains the following fields: 'Account:' with a text input, 'In password:' with a text input, 'm password:' with a text input, and 'Time Zone:' with a dropdown menu showing '(GMT -8:00) Pacific Time(US & Canada)'. Below these fields is a blue button with the text 'Create account'.

You can now provide these details to a player to login to the game. Make sure to load the player credits by following the next section of the guide.

5.1 Loading / Withdrawing Credits

To load/withdraw any account type, login in to its parent account. If you want to load a store account, login to its parents Sub-Distributor account.

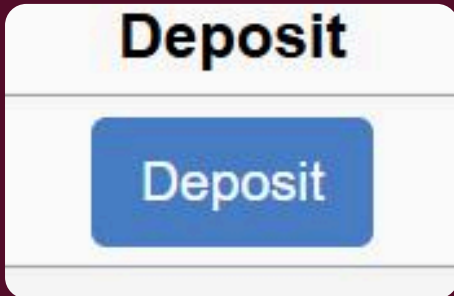

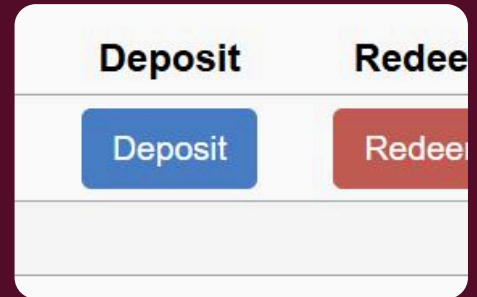

Once you are logged in to the parent account, find the account under Admin List

Account	Balance	Deposit	Redeem	Reset PSW	Enable	Time Zone	Last Login	Reports
spinstore	0	Deposit	Redeem	Reset	Active	(GMT -8)	2026-05-23 02:37:46	Reports

5.2 Loading / Withdrawing Credits

1. From here you can scroll horizontally and find operations buttons.

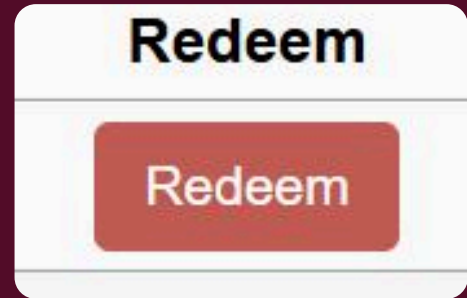

2. To load click on Deposit

5.2 Loading / Withdrawing Credits

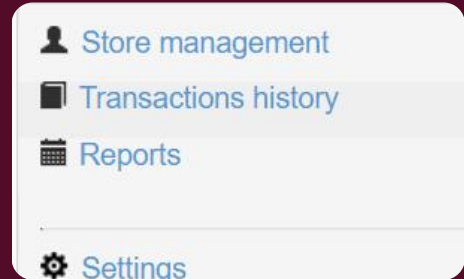

3. To load click on Redeem

3. To reset password click on reset button.

6.1 Viewing Credit Transaction Records

1. To access store records. Click on the Transaction

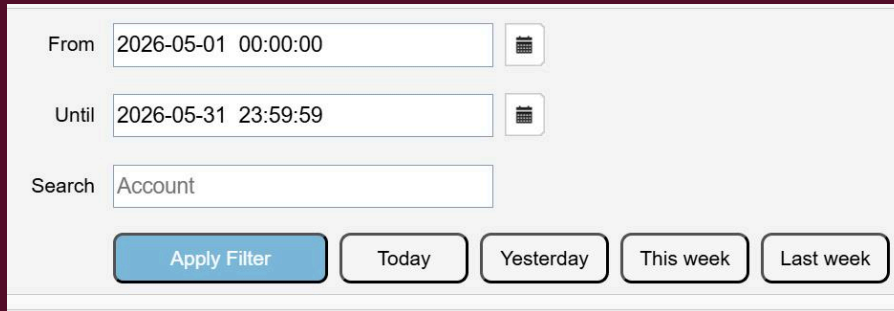

The backend lets you view transaction records between a parent account and its children. This feature helps you monitor credit movement, including both loads and withdrawals, along with the exact dates and times of transactions

6.2 Viewing Credit Transaction Records

2. You can specify Date range, search specific users and click search or you can use quick filter to get the transactions for last x amount of time and click search.

The screenshot shows a web interface for filtering credit transactions. It includes two date pickers for 'From' and 'Until' dates, a search input field, and a row of buttons for applying filters or selecting time ranges.
