

BACKEND GUIDE

MR. All In One

1.1 OVERVIEW OF ACCOUNT LEVELS

There are multiple levels for Game Vault from highest level to lowest :

DISTRIBUTOR

With a distributor, you can sell to other agents by providing them with a sub-distributor or store account.

SUB-DISTRIBUTOR

With a sub-distributor account, you can sell to other agents by providing them with a store account.

1.2 OVERVIEW OF ACCOUNT LEVELS

STORE

With a store account you can sell to players.

PLAYER

These accounts are created using a store account.

NOTE

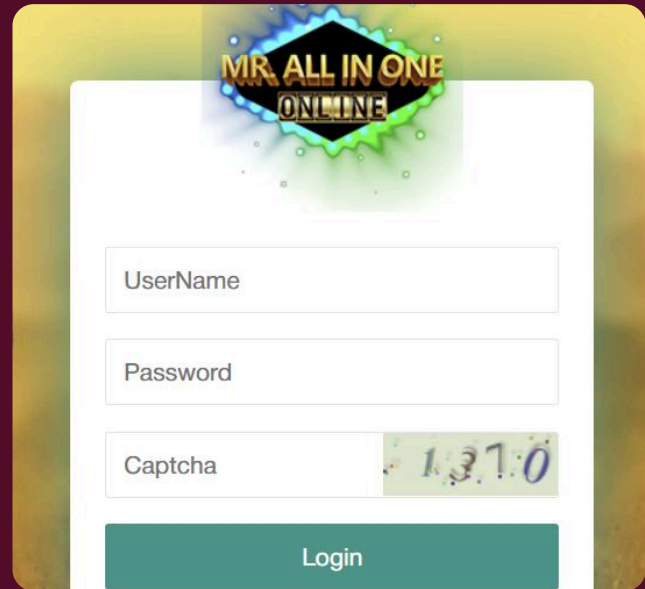

If your focus is on selling to players, it's advisable to establish one main store account. This enables you to add new player accounts directly under this store account rather than creating individual store accounts for every player.

1.3 Creating A Sub-Distributor And Store Account

We will provide you with a distributor account, which lets you set up a child sub-distributor account.

You can then log into that sub-distributor account to create a store account.

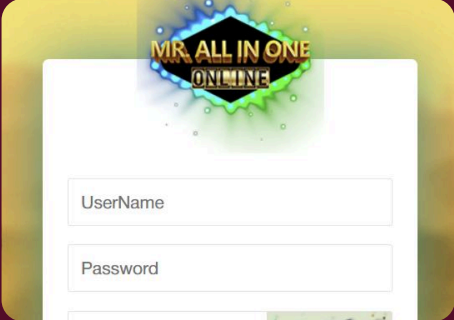

The screenshot shows a login page for 'MR. ALL IN ONE ONLINE'. At the top is a logo with the text 'MR. ALL IN ONE' in gold and 'ONLINE' in a black box. Below the logo are three input fields: 'UserName', 'Password', and 'Captcha'. The 'Captcha' field contains the text '1.3.1.0'. At the bottom is a green 'Login' button.

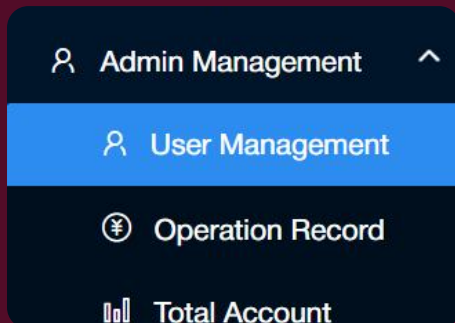

1.3 Creating A Sub-Distributor And Store Account

To create a sub-distributor account

1. Log in to the Distributor Account

A login form titled "MR. ALL IN ONE ONLINE" with a blue and green diamond-shaped logo. The form contains two input fields: "UserName" and "Password".

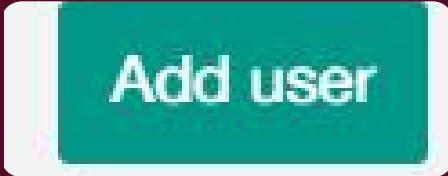

2. Click Navigation on the left sidebar then Admin Management click on User Management

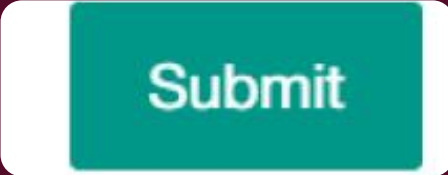

2.3 Creating A Sub-Distributor And Store Account

3. Click the Add User.

A teal rectangular button with rounded corners and a white border, containing the text "Add user" in white.

4. Finalize the account.

A teal rectangular button with rounded corners and a white border, containing the text "Submit" in white.

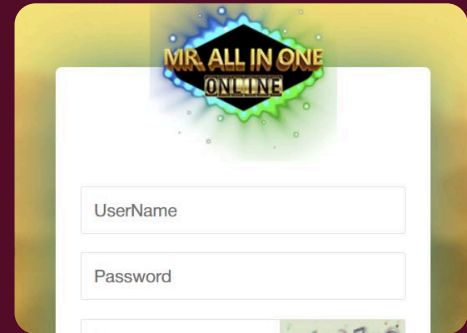

NOTE

Fill out the details, contact number can be 1, and hot submit. You now have a sub-distributor account, which will pop up on your list.

3.1 To Create A Store Account

1. To create a store account logout of the distributor account

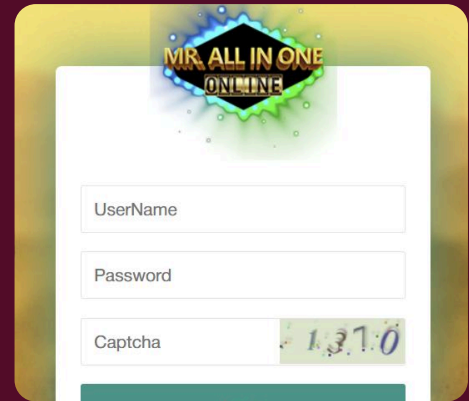

Add user	
Username	Please enter Username
Recharge Balance	Please enter Recharge Balance

Withdraw permission	☒ Authorized

2. Login into the sub-distributor account. Repeats the account create process as above.

4.1 To Create A Player Account

1. Login in to a store account

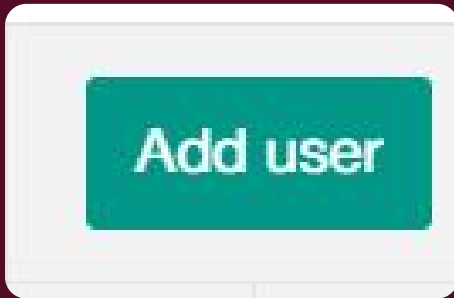

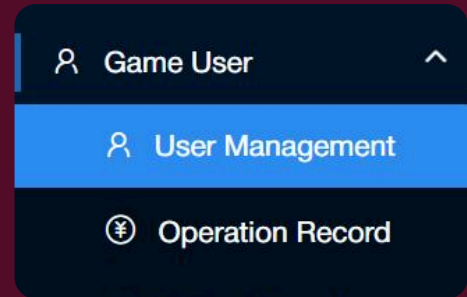

A screenshot of a login page for 'MR. ALL IN ONE ONLINE'. The page has a white background with a yellow border. At the top center is a logo with the text 'MR. ALL IN ONE' in yellow and 'ONLINE' in white on a black background, surrounded by a blue and green neon-like effect. Below the logo are three input fields: 'UserName', 'Password', and 'Captcha'. The 'Captcha' field contains the text '1370' in a stylized font. Below the input fields is a green button.

NOTE

If you don't have a store account, follow the previous section of the guide.

4.2 To Create A Player Account

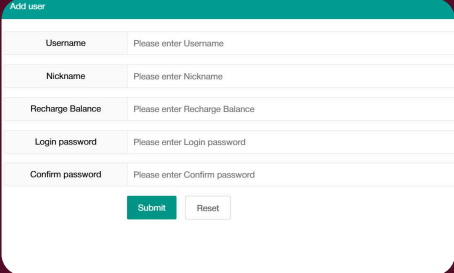

2. Click Navigation on the left sidebar, then on Game User click on User Management.

3. Click on "New Account"

4.3 To Create A Player Account

1. Fill out account name, nickname and password

The screenshot shows a web form titled "Add user" with a teal header. It contains five input fields, each with a label and a placeholder text: "Username" (Please enter Username), "Nickname" (Please enter Nickname), "Recharge Balance" (Please enter Recharge Balance), "Login password" (Please enter Login password), and "Confirm password" (Please enter Confirm password). At the bottom of the form are two buttons: a teal "Submit" button and a white "Reset" button with a teal border.

NOTE

You can now provide these details to a player to login to the game. Make sure to load the player credits by following the next section of the guide.

5.1 Loading / Withdrawing Credits

To load/withdraw any account type, login in to its parent account. If you want to load a store account, login to its parents Sub-Distributor account.

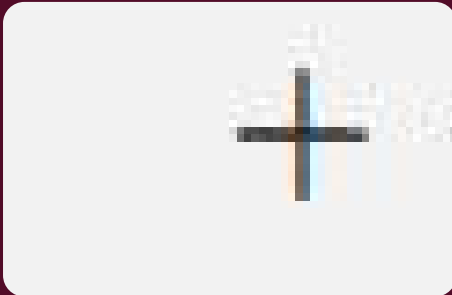

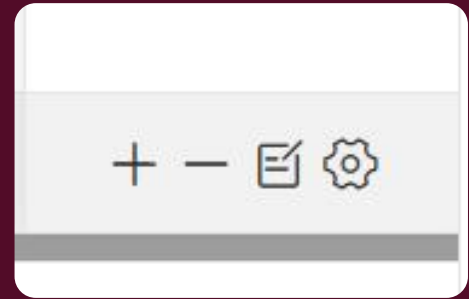

Once you are logged in to the parent account, find the account under Admin List

zaynmalik	zaynmalik12	☒	STORE
-----------	-------------	-------------------------------------	-------

5.2 Loading / Withdrawing Credits

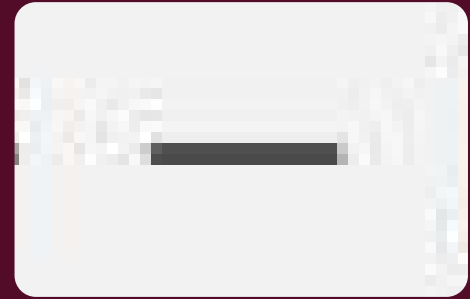

1. From here you can scroll horizontally and find operations buttons.

2. To load click on Plus (+) Sign.

5.2 Loading / Withdrawing Credits

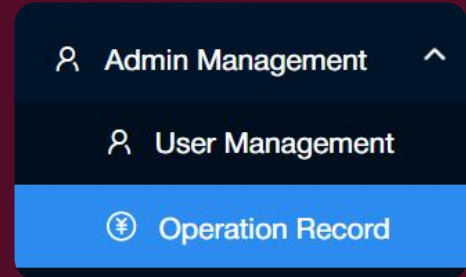

3. To withdraw click Minus (-) Sign

3. To reset password click on reset button.

6.1 Viewing Credit Transaction Records

1. To access store records. Click on the Operation Records under Admin Management.

The backend lets you view transaction records between a parent account and its children. This feature helps you monitor credit movement, including both loads and withdrawals, along with the exact dates and times of transactions

6.2 Viewing Credit Transaction Records

2. You can specify Date range, search specific users , select operation plan and click search or you can use quick filter to get the transactions for last x amount of time and click search.

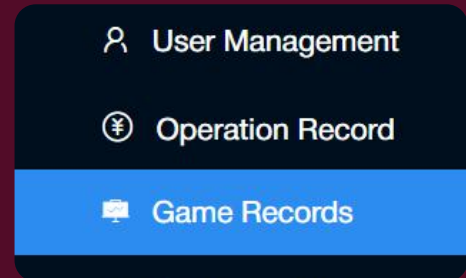

Username	Please enter Username	Date range	Start date	-	End date		
Operation type	Please select Operation	Search	Reset	Today	Yesterday	This Week	Last Week

7.1 Viewing Player Game Records

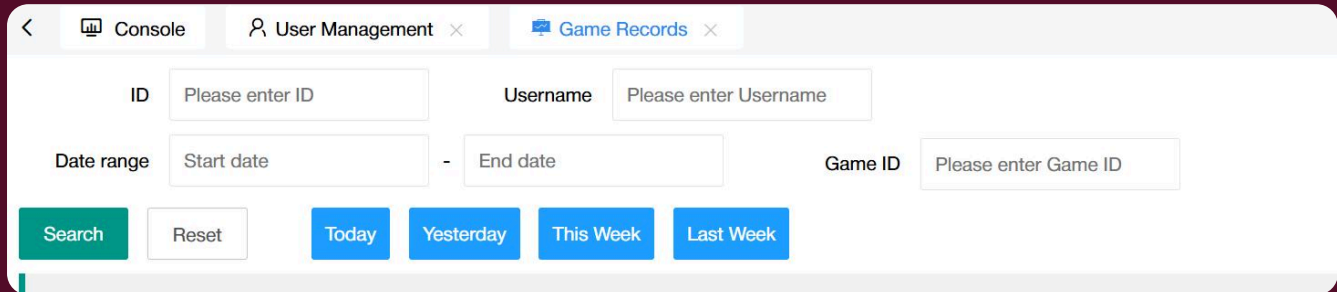

The backend lets you view game records for players. This lets you track how a player is spending their credits, how they're winning/losing, when they're playing, etc.

1. To access records. Click Navigation and select the Game Records.

7.2 Viewing Player Game Records

2. You can specify Date range, search specific users , select operation plan and click search or you can use quick filter to get the transactions for last x amount of time and click search.

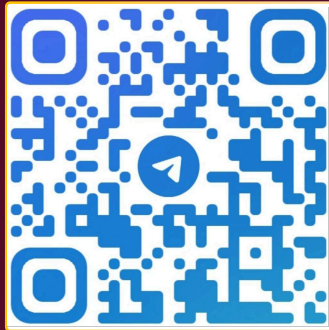

The screenshot shows a web application interface for viewing game records. At the top, there are three tabs: 'Console', 'User Management', and 'Game Records'. The 'Game Records' tab is active. Below the tabs, there are four input fields: 'ID' (placeholder: 'Please enter ID'), 'Username' (placeholder: 'Please enter Username'), 'Date range' (with sub-fields for 'Start date' and 'End date'), and 'Game ID' (placeholder: 'Please enter Game ID'). Below these fields, there are five buttons: 'Search' (green), 'Reset' (white), 'Today' (blue), 'Yesterday' (blue), and 'This Week' (blue). There is also a 'Last Week' button (blue) to the right of 'This Week'.

8.1 Obtaining A Master Account

To obtain a master-level account, message your agent to find out the minimum requirements.
