

BACKEND GUIDE

RIVERSWEEP

1.1 OVERVIEW OF ACCOUNT LEVELS

There are multiple levels for Game Vault from highest level to lowest :

DISTRIBUTOR

With a distributor, you can sell to other agents by providing them with a sub-distributor or store account.

SUB-DISTRIBUTOR

With a sub-distributor account, you can sell to other agents by providing them with a store account.

1.2 OVERVIEW OF ACCOUNT LEVELS

STORE

With a store account you can sell to players.

PLAYER

These accounts are created using a store account.

NOTE

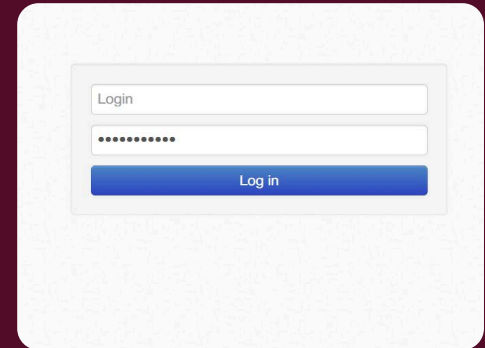

If your focus is on selling to players, it's advisable to establish one main store account. This enables you to add new player accounts directly under this store account rather than creating individual store accounts for every player.

1.3 Creating A Sub-Distributor And Store Account

We will provide you with a distributor account, which lets you set up a child sub-distributor account.

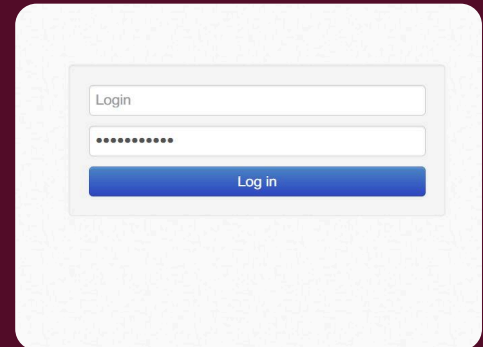

You can then log into that sub-distributor account to create a store account.

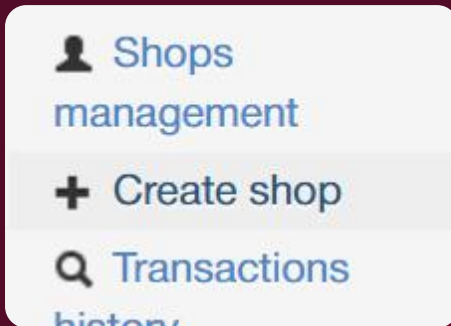

1.3 Creating A Sub-Distributor And Store Account

To create a sub-distributor account

1. Log in to the Distributor Account

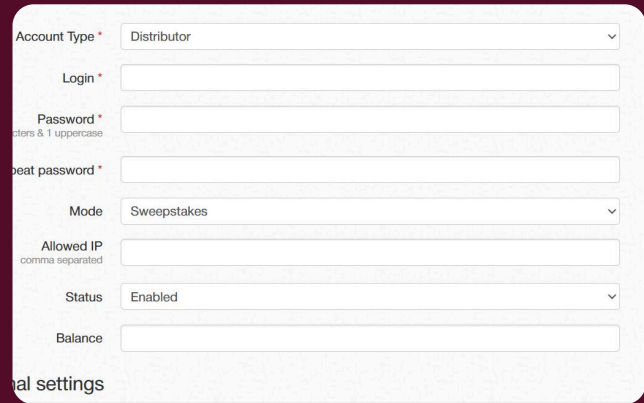

2. Click Navigation on the left sidebar then Create Shop

2.3 Creating A Sub-Distributor And Store Account

3. Fill out the details and finalize the account.

A screenshot of a web form for creating a sub-distributor account. The form is white with a thin border and is set against a dark red background. It contains several input fields and dropdown menus. The fields are: 'Account Type' (a dropdown menu with 'Distributor' selected), 'Login' (a text input field), 'Password' (a text input field with a small note 'characters & 1 uppercase' below it), 'Repeat password' (a text input field), 'Mode' (a dropdown menu with 'Sweepstakes' selected), 'Allowed IP' (a text input field with a small note 'comma separated' below it), 'Status' (a dropdown menu with 'Enabled' selected), and 'Balance' (a text input field). At the bottom left of the form, the text 'Additional settings' is visible.

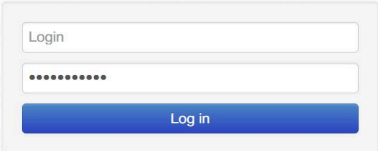

NOTE

Fill out the details, contact number can be 1, and hot submit. You now have a sub-distributor account, which will pop up on your list.

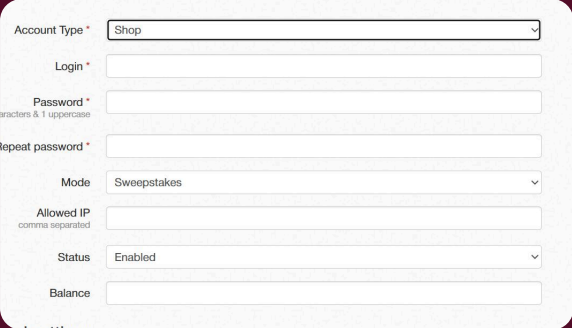

3.1 To Create A Store Account

1. To create a store account logout of the distributor account

A login form with a white background and a light gray border. It contains a 'Login' label above a text input field, a password input field with masked characters (dots), and a blue 'Log in' button.

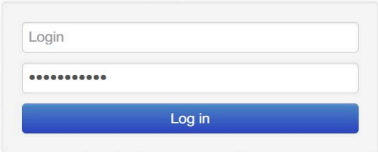

An account creation form with a white background and a light gray border. It includes the following fields: 'Account Type' (dropdown menu with 'Shop' selected), 'Login' (text input), 'Password' (text input with a note 'characters & 1 uppercase'), 'Repeat password' (text input), 'Mode' (dropdown menu with 'Sweepstakes' selected), 'Allowed IP' (text input with a note 'comma separated'), 'Status' (dropdown menu with 'Enabled' selected), and 'Balance' (text input).

2. Login into the sub-distributor account. Repeats the account create process as above.

4.1 To Create A Player Account

1. Login in to a store account

A login form with two input fields and a button. The first input field is labeled "Login" and the second input field is labeled "Password" (indicated by dots). Below the input fields is a blue button labeled "Log in".

NOTE

If you don't have a store account, follow the previous section of the guide.

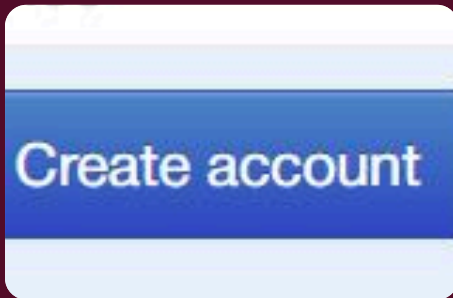

4.2 To Create A Player Account

2. Select the platform and enter the purchase amount and username.

Platform

☒ RIVER river777.com	☐ THUNDER7 thunder7.app
Purchase Amount *	Username/Notes
0.00	
Create account	Cancel

3. Finalize the account

4.3 To Create A Player Account

NOTE

You can now provide these details to a player to login to the game. Make sure to load the player credits by following the next section of the guide.

5.1 Loading / Withdrawing Credits

To load/withdraw any account type, login in to its parent account. If you want to load a store account, login to its parents Sub-Distributor account.

Once you are logged in to the parent account, find the account under Admin List

epicguys123	Distributor	02.03.2026 10:32:55	02.03.2026 10:33:16	0.00	Deposit	 	Delete	
testdevshop	Shop	06.04.2026 10:33:20	27.06.2026 10:05:15	10.00	Deposit	 	Delete	
riversweep11	Distributor	23.05.2026 05:49:59	23.05.2026 06:00:37	0.00	Deposit	 	Delete	

5.2 Loading / Withdrawing Credits

1. From here you can scroll horizontally and find Deposit

Change balance

epicguys → riversweep11

Amount *

Result balance

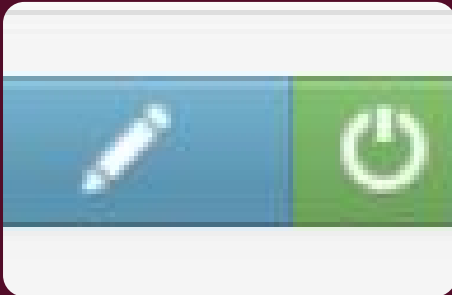

*To redeem the money enter the negative amount

*To redeem the money enter the negative amount

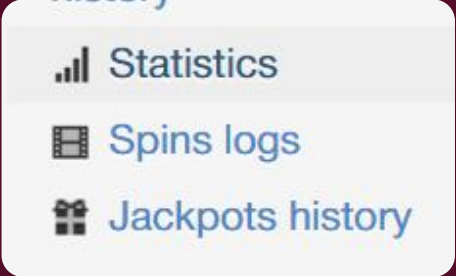

Apply

3. To reset password click on edit.

6.1 Viewing Credit Transaction Records

1. To access store records. Click on the Statistics

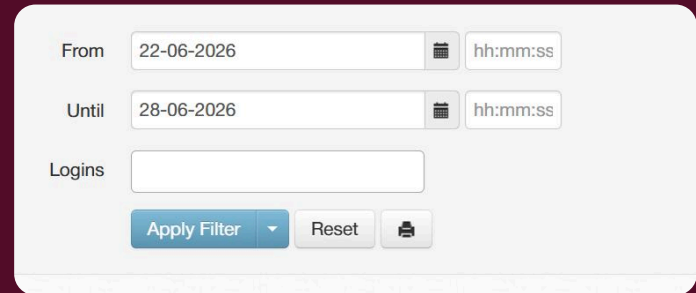

Statistics
Spins logs
Jackpots history

The backend lets you view transaction records between a parent account and its children. This feature helps you monitor credit movement, including both loads and withdrawals, along with the exact dates and times of transactions

6.2 Viewing Credit Transaction Records

2. You can specify start Date, end date and apply filter.

A screenshot of a web form for filtering credit transaction records. The form is white with rounded corners and contains the following elements:

- From:** A text input field containing "22-06-2026", a calendar icon, and a time input field with the placeholder "hh:mm:ss".
- Until:** A text input field containing "28-06-2026", a calendar icon, and a time input field with the placeholder "hh:mm:ss".
- Logins:** A single-line text input field.
- Buttons:** A blue "Apply Filter" button with a dropdown arrow, a grey "Reset" button, and a grey button with a printer icon.

7.1 Viewing Player Game Records

The backend lets you view game records for players. This lets you track how a player is spending their credits, how they're winning/losing, when they're playing, etc.

1. To access player records. Click on the Transaction History

management

📅 Accounts history

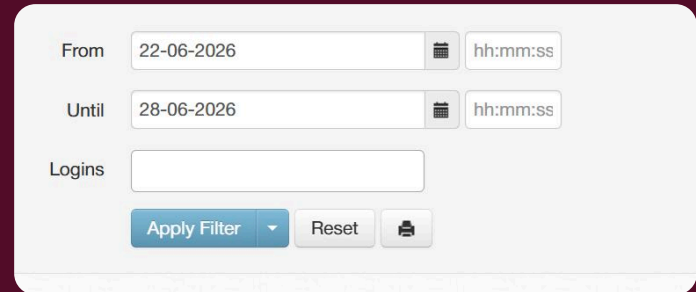

🔍 Transactions history

📄 Up to date history

7.2 Viewing Player Game Records

2. You can specify start Date, end date and apply filter.

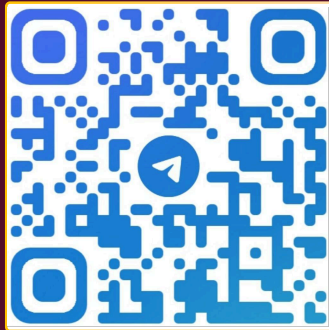

The screenshot shows a filter interface for viewing player game records. It includes the following elements:

- From:** A date input field containing "22-06-2026" with a calendar icon to its right.
- Until:** A date input field containing "28-06-2026" with a calendar icon to its right.
- Logins:** A text input field.
- Time Format:** Two "hh:mm:ss" input fields, one next to each date field.
- Buttons:** An "Apply Filter" button with a dropdown arrow, a "Reset" button, and a print icon button.

8.1 Obtaining A Master Account

To obtain a master-level account, message your agent to find out the minimum requirements.
