

BACKEND GUIDE

SpinCity

1.1 OVERVIEW OF ACCOUNT LEVELS

There are multiple levels for Game Vault from highest level to lowest :

DISTRIBUTOR

With a distributor, you can sell to other agents by providing them with a sub-distributor or store account.

SUB-DISTRIBUTOR

With a sub-distributor account, you can sell to other agents by providing them with a store account.

1.2 OVERVIEW OF ACCOUNT LEVELS

STORE

With a store account you can sell to players.

PLAYER

These accounts are created using a store account.

NOTE

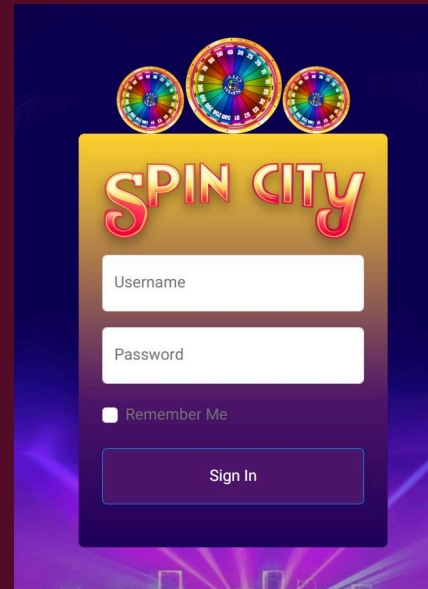

If your focus is on selling to players, it's advisable to establish one main store account. This enables you to add new player accounts directly under this store account rather than creating individual store accounts for every player.

1.3 Creating A Sub-Distributor And Store Account

We will provide you with a distributor account, which lets you set up a child sub-distributor account.

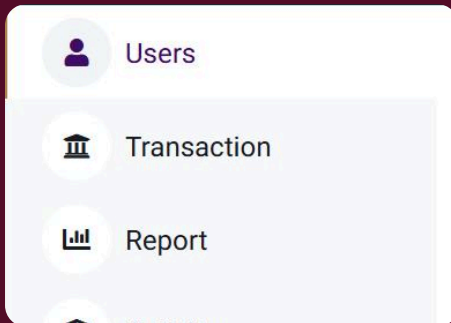

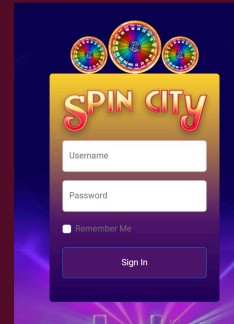

You can then log into that sub-distributor account to create a store account.

1.3 Creating A Sub-Distributor And Store Account

To create a sub-distributor account

1. Log in to the Distributor Account

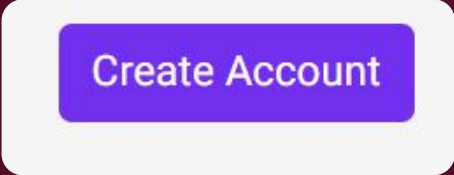

2. Click Navigation on the left sidebar then click on User

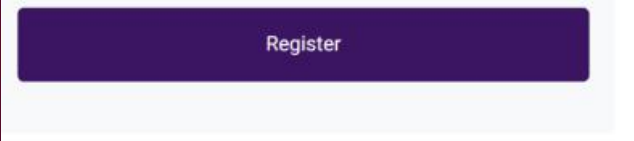

2.3 Creating A Sub-Distributor And Store Account

3. Click the Create. Account

A blue rectangular button with rounded corners and a thin white border, containing the text "Create Account" in white.

4. Finalize the account.

A blue rectangular button with rounded corners and a thin white border, containing the text "Register" in white.

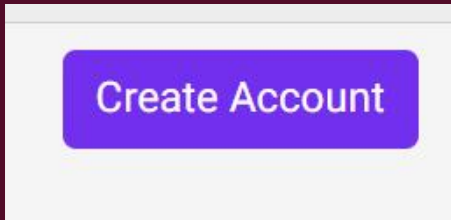

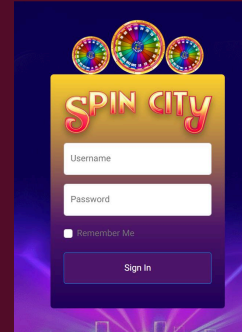

NOTE

Fill out the details, contact number can be 1, and hot submit. You now have a sub-distributor account, which will pop up on your list.

3.1 To Create A Store Account

1. To create a store account logout of the distributor account

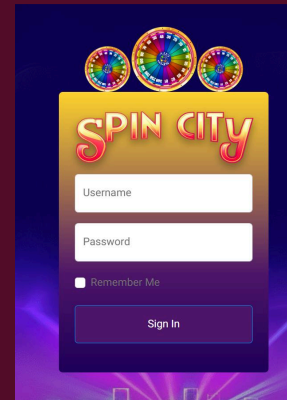

2. Login into the sub-distributor account. Repeats the account create process as above.

4.1 To Create A Player Account

1. Login in to a store account

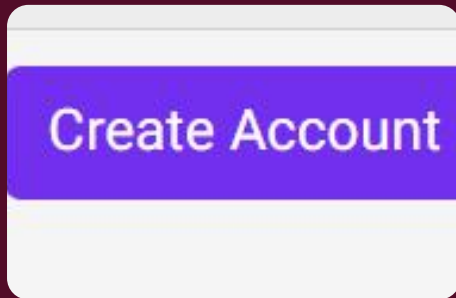

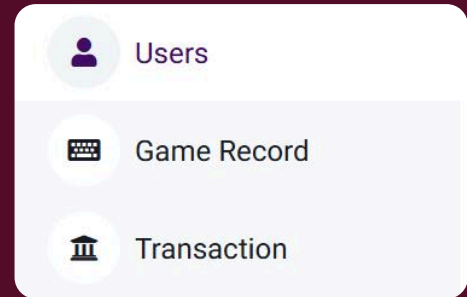

NOTE

If you don't have a store account, follow the previous section of the guide.

4.2 To Create A Player Account

2. Click Navigation on the left sidebar, then on User

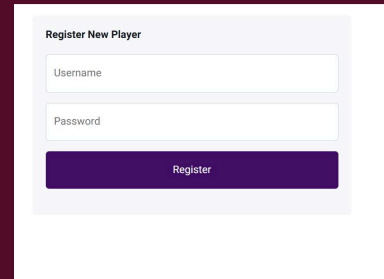

3. Click on "Create Account"

4.3 To Create A Player Account

1. Fill out account Username and Password

A screenshot of a web form titled "Register New Player". It contains two input fields: "Username" and "Password". Below the fields is a blue button labeled "Register".

Register New Player
