1.1 OVERVIEW OF ACCOUNT LEVELS

There are multiple levels for Game Vault from highest level to lowest :

DISTRIBUTOR

With a distributor, you can sell to other agents by providing them with a sub-distributor or store account.

SUB-DISTRIBUTOR

With a sub-distributor account, you can sell to other agents by providing them with a store account.

1.2 OVERVIEW OF ACCOUNT LEVELS

STORE

With a store account you can sell to players.

PLAYER

These accounts are created using a store account.

NOTE

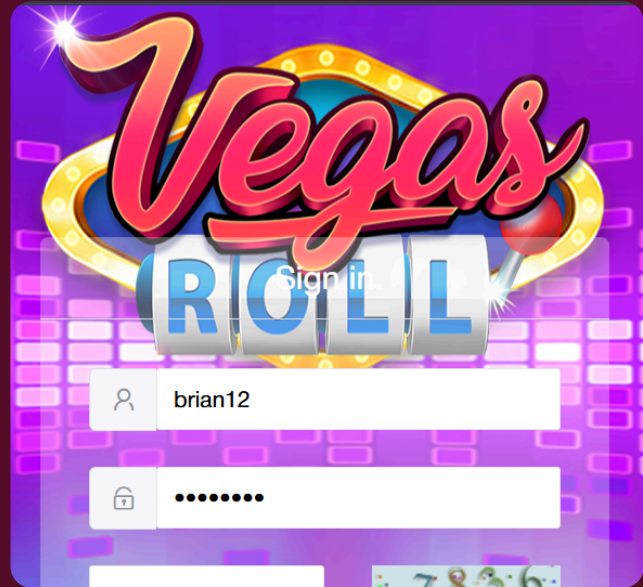

If your focus is on selling to players, it's advisable to establish one main store account. This enables you to add new player accounts directly under this store account rather than creating individual store accounts for every player.

1.3 Creating A Sub-Distributor And Store Account

We will provide you with a distributor account, which lets you set up a child sub-distributor account.

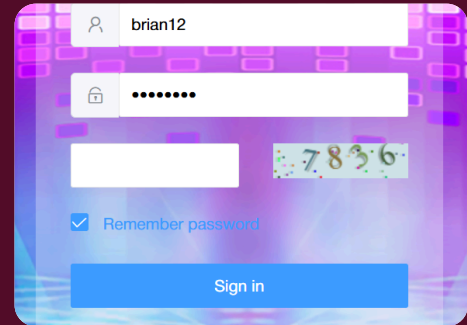

You can then log into that sub-distributor account to create a store account.

1.3 Creating A Sub-Distributor And Store Account

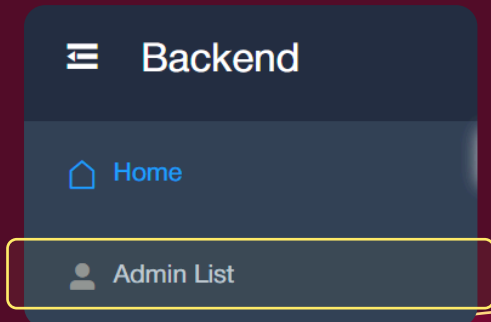

To create a sub-distributor account

1. Log in to the Distributor Account

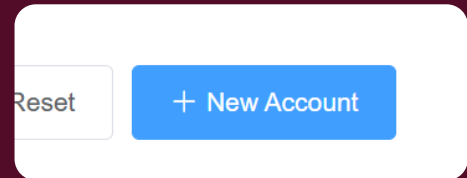

A login form with a purple and blue background. It contains a username field with the text 'brian12', a password field with masked characters, a captcha image showing the number '7836', a 'Remember password' checkbox which is checked, and a blue 'Sign in' button at the bottom.

2. Click Navigation on the left sidebar then click on Admin List
